Declaration

All papers in this publication have passed through a rigorous peer-review process involving initial screening and review of abstracts & full papers by at least two reviewers, reporting of comments to authors, and revision of papers by authors.

The Committee does not authorize infringement of copyrights / intellectual property rights by authors. If you believe that a material in any paper published in this publication has been inappropriately used, please contact the Editorial & Publication Committee of the Association. Authors are responsible for ensuring good academic practice when conducting and reporting scientific research. It is the responsibility of authors to abide by the norms of academic ethics and integrity. EACE accepts no liability for copyright infringements or inappropriate use of material in any paper published.

All the views and opinions reflected in the articles here in are those of the authors and the Editorial & Publication Committee neither endorses nor opposes any particular outlook or idea that appears in this publication.
